

# How can you challenge your bottom-line and improve processes?

Paradoxically, business travel spend is still considered a **cost** as opposed to an **investment!**

How do you consider your Travel and Expense spend?

(% of respondents)

## Optimise processes and costs → Do you have a trusted technology?

- \_ Reduce direct costs (travel agency fees, airfares etc)
- \_ Reduce indirect costs (administrative tasks related to the handling of expenses, risk associated with uncontrolled spending and fraud etc.)
- \_ Ensure quality of data and analysis
- \_ Improve reconciliation
- \_ Ensure accurate and quick expense processing

## Keep employees focused → Can you rely on trusted content?

- \_ Give the best level of travel content and service
- \_ Remove administrative tasks and time related to the handling of expenses
- \_ Increase employees' travel experience and efficiency

## Ensure consistency over time → Can you rely on trusted leadership?

Chose the unique agile, integrated solution:

- \_ Established global leader and financial stability
- \_ Data security - PCI-DSS certified
- \_ #1 R&D investor: 661 million Euros invested in R&D in 2015, 19 R&D centers (in the travel and tourism industry)
- \_ Integration with all global TMCs
- \_ Content linked to each step of your travel process.
